PRODUCT DESCRIPTION

CASHMERE & PRECIOUS WOOL ROYAL NR 102 is equipped with extraordinary properties. A few precious drops of this exclusive detergent give new life to fine yarns and help preserve the natural balance of the fibers for a real anti-aging action. The natural condition of moisture in cashmere is restored, improving softness, beauty and texture. CASHMERE & PRECIOUS WOOL ROYAL NR 102 represents the non plus ultra of science and luxurious care of cashmere: the heart and mind of the Royal collection. It's a rare combination of principles derived from plants to keep intact over time the charm and purity of the yarns. Magnificent fibers and colours with the exclusive essence of Sandalwood. To wash and protect cashmere and precious yarns:
