### PRODUCT DESCRIPTION

Turn your usual hand dish washing into an unforgettable experience. An effective, rich, aromatic & surprising gel. A delightful ultra degreasing gel treatment for plates and crockery. A moment of pure pleasure for you. Natural plant extracts of Cedar of Cilento are at the basis of the precious foaming formula activated by water which develops an impressive degreasing and shining power on dishes, glasses and crockery.

A wonderful feeling of accomplishment and cleanliness. It takes care of your hands.

Concentrated 100% Effective Non-Toxic

### WHY IS EFFECTIVE?

Superb grease removal with rinse aid  
Dense  
Concentrated

### DANHERA ITALY TIPS

Remember that on stubborn dirt, hot water and soaking are valuable allies. Use a limited amount of DISH SOAP NR. 51 and respect the recommended dose. It's a concentrated product. With a bottle you get up to 50 washes.
